

March 1, 2026

Dear Organization or Business Owner:

Helping the community takes teamwork. That is why Doke Ministries, Inc. is asking for your help. We are currently planning our **Annual Doke Ministries Golf Classic** scheduled for **Friday, May 1, 2026, at the Thorntree Golf Course in Desoto, TX**. The golf classic will begin at 8:00 a.m. It will benefit the students who are participating in our Annual HBCU (Historically Black Colleges and Universities) Summer Tour. This tour will take place from July 5-10, 2026. We will be taking 40 students and 10 chaperones on a HBCU and Cultural Tour to the states of **Virginia, South Carolina and Atlanta**. In order to make this trip happen for the students, we need your help.

As we do each year, we request the assistance of socially responsible businesses and organizations such as yours to help us provide fun and exciting incentives to aid the effort.

Doke Ministries, Inc. will function as a non-profit addressing the needs of the world through outreach and evangelism. Ministry is one of the most important forms of social responsibility in our world today. In its purest form, it's a way to communicate with everyone about spiritual growth and most of all HOPE. Doke Ministries, Inc. has been designed to do this and more. Whether it be delivering sermons in several venues, empowering people through conferences, youth services, community events or simply providing a meal or means of support to those in need, Doke Ministries, Inc. sets out to encourage, educate, and empower its community and surrounding areas.
